OPINION CLOSING PROCEEDING

Summary

Since the parties indicate no further interest in litigating this complaint case, the proceeding is closed.

Discussion

At the request of the parties, the processing of this complaint case was deferred pending completion of the Line Extension Rules proceeding, Rulemaking (R.) 92-03-050. Following completion of that proceeding, the assigned Administrative Law Judge (ALJ) issued a ruling on January 15, 2004, requesting Complainants to advise the Commission whether this complaint case should be closed because the matters at issue had been addressed in the Commission's decisions in R.92-03-050. No response was received. Therefore,

we conclude that there is no further interest in this case and the proceeding should be closed.

Comments on Proposed Decision

The proposed decision of the ALJ in this matter was mailed to the parties in accordance with Pub. Util. Code § 311(d) and Rule 77.1 of the Commission's Rules of Practice and Procedure. No comments were received.

Assignment of Proceeding

Geoffrey F. Brown is the Assigned Commissioner and Bertram D. Patrick is the assigned ALJ in this proceeding
